Maple Street Hardware: Contractor Account Terms

Revision 3, effective July 1, 2026.

1. Who can apply

Licensed contractors, property managers and businesses that buy for repair or construction work. To apply, bring a copy of your business license, your federal tax ID (EIN) and two trade references to the service counter. Approval usually takes 3 business days.

2. Billing

Purchases are billed to the account and due **net 30** from the invoice date. The starting credit limit is **$5,000**; it can be raised after six months of on-time payment. Balances more than 30 days past due are charged **1.5% per month**, and the account is put on hold until it is brought current.

3. Contractor pricing

What	Discount
Lumber, plywood, drywall and fasteners, on a single order over $500 before tax	10%
Paint, 5 or more gallons on one order	10%
Everything else	No discount

Contractor pricing cannot be combined with flyer sale prices; the lower price applies. Contractor accounts do not earn Maple Rewards points.

4. Authorized buyers

The account holder names up to five authorized buyers. Each must show photo ID at the register. The account holder is responsible for all purchases by authorized buyers.

5. Tax exemption

Sales tax is charged unless a valid resale or exemption certificate is on file before the purchase. We cannot refund tax on past purchases.
